Available from all leading bathroom retail stores, Go to www.ottiaustralia.com.au/stockists to find a stockists near you. Due to limitations in the printing process the colours in this catalogue are guide only. All measurements within this catalogue are nominal and are subject to change. Specifications correct at time of printing 06/2026. Please visit www.ottiaustralia.com.au for most current technical information.

Trade Professionals

Architects, designers and builders when it comes to designing, specifying and building get in touch with us through our commercial team to assist you with the Otti Australia collection. We will connect you with the best in the industry, our commercial store trading partners to purchase your Otti Australia products.

Compliance, quality, warranty and sustainability are the cornerstone of Otti Australia. Our commercial team is on hand to connect you with the best in the industry, our trading partners who are committed to providing the highest quality products and services. Compliance is at the heart of everything we do, and we are proud to offer a range of products that meet the highest standards.

DESIGN SPECIFY & BUILD

Our products are backed by a comprehensive warranty, ensuring that you purchase with confidence. And because we believe that sustainable construction is essential for the future of our planet, we use recyclable materials and materials that last the test of time.

Connect and Share your projects with us!

Otti Australia and Jamie Durie share a simple belief—that beautiful design should bring people closer to nature and to each other. Guided by Jamie's deep connection to family and his love for the outdoors, this collaboration celebrates balance: between creativity and care, home and environment, people and planet. With Otti's dedication to sustainable craftsmanship and Jamie's passion for creating spaces that nurture the human spirit, every piece tells a story of harmony, community, and living gently with the world around us.

*Australian Designed
Globally Inspired*

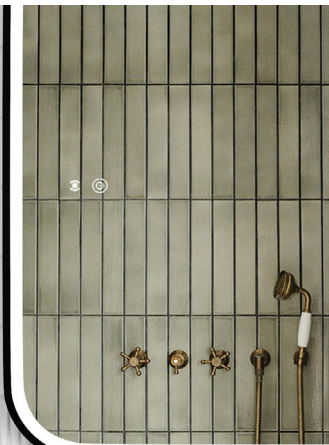

CURATED IN AUSTRALIA

— AUSTRALIAN INSPIRED

With obsession to detail, our designers are inspired by the young and vibrant spirit of Australia.

Inspired by the latest trends in interior design, we bring you the latest collection by Otti Australia.

As expert interior designers in the building industry for many years, we understand that quality, design and price entwined makes all the difference.

JAMIE DURIE

Our unique blend of craftsmanship, premium materials and design, and attention to detail ensures every piece aligns seamlessly with your needs to get the beautiful complete designer look.

Knowing the Difference between an Otti Australia vanity and others is knowing that you will love your bathware for years. We know that when we build vanities you are getting a long lasting piece your love for years which is why we have backed this up with our

Otti Warranty of 25 years on vanity cabinetry.

When you own an Otti product, you are buying a premium product made joinery from the best plywood and timber veneers that are longer lasting, healthier option for your home and living environment.

When you choose Otti, you're investing in: Premium craftsmanship: Our products feature top-grade plywood and timber veneers, ensuring strength, durability.

Healthier living: Designed with Low VOC's with your home and families well-being in mind, Otti products are free from harmful materials often found in low-cost imitations.

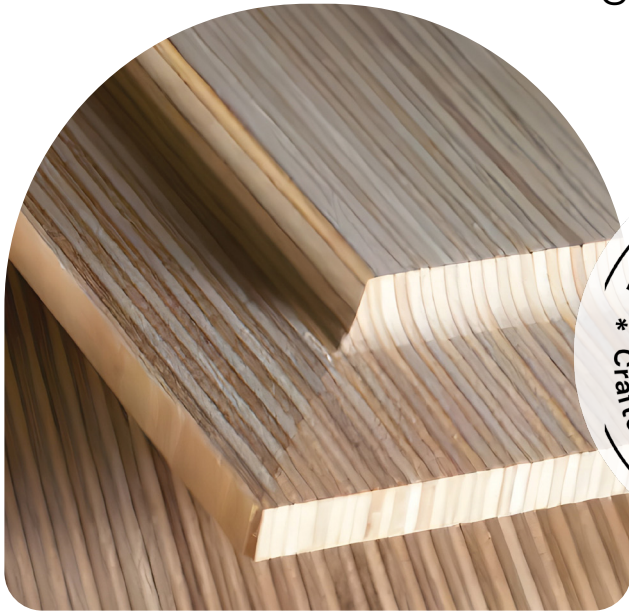

Timeless beauty: Built to last, Otti pieces retain their elegance and functionality for years to come.

Cheaper imitations may pose serious health and safety risks, as they are often produced using MDF and PVCs, also without regard to stringent quality or environmental standards.

Love Otti for Years

Know the Difference

Premium Detailing That Makes The Difference

BUILD TO LAST MOISTURE RESISTANT PLYWOOD & TIMBERS

All our cabinetry is constructed with moisture-resistant boards to prevent swelling and water damage. The raw materials are E0certified and made from no-formaldehyde E0 boards.

FULL EXTENSION DRAWER RUNNERS

Otti cabinets feature easy-pull drawers with a damping system, combining smooth, fast motion with gentle deceleration for a quiet close. Full-extension runners, load rated to 40kg, provide effortless access to the entire drawer.

HETTICH RUNNERS

German-engineered Hettich runners ensure smooth, silent operation and long-lasting performance.

SOFT - CLOSE DOORS & DRAWERS

All OTTI cabinets feature soft-close doors, with most models, ensuring smooth, silent operation and long-lasting durability for you cabinetry

TUFFI GLASS

All our NEW Mirror collections are now featuring our TUFFI™ toughend safety glass that are commercially rated.

Know the Difference

Upgrades

Available add-ons

At Otti Australia, we curate and design our products with only the best materials in mind.

While quality and sustainability are our focus, it is partnered with industry met compliancy and warranty, knowing there is integrity in every product we offer.

What Makes Us Different

What makes us different is our process towards "thoughtful design" and use of materials that boast many benefits. The thoughtful design process leans towards a more sustainable future for a

All Otti joinery are using plywood, that host the natural properties of layed timber sheeting that are laminated together using low VOC materials making for the best material to use in wetspaces.

Waste is managed responsibly through recycling efforts encompassing packaging, waste and supporting the community through goodwill support and disaster relief efforts.

On going maintainance such as sealants, polish or wax are not required with Otti Australia cabinets making for a superior product, unlike timber vanities.

Benefits of Plywood include:-

- Water Resistant
- Durable, long lasting and strong
- Renewable
- No maintenance required.

We stand by our product while others work with solid timer or inferior chipboard or MDF.

Chipboard or MDF are:-

- Not water resistant
- Damage easily
- Shorter life span

While Solid Timber need restaining every year once it is exposed to water, use of checimals required to maintain, polish or seal.

With many years experience in manufacturing bathware, the benefits of plywood vanities out weigh the use of solid timber, chipboard or MDFs.

Standard Features:-

- Full Extrenstion Runners
- Soft Close Doors and Drawers
- High Quality detailed construction
- Perfect laminated edging
- Interchangeable ranges of basin tops, cabinets and accents to create

Disclaimer:

Please note that we continuously strive to improve our products. As part of this ongoing process, there may be changes to the specifications of our products between different stages. We highly recommend purchasing a sample unit to ensure that the specifications meet your exact requirements. Thank you for your understanding and support as we work to provide you with the best possible products.

Havana

Raw natural textures of
woodgrain and detailed lines.

As Chosen By
Jamie Durie

Havana Fluted Vanity by Otti Australia – Timeless Elegance & Superior Craftsmanship

The Havana fluted vanity features a woodland oak or sable walnut natural timber look finish, high moisture resistant plywood construction, Hettich hinges and runners for smooth and soft closing. The new Fluted veneer showcases detailed fine lines that add elegance to your designer bathroom.

Enhance your bathroom with the Havana Fluted Vanity by Otti Australia, a perfect blend of modern sophistication and timeless design. Crafted with premium moisture-resistant plywood, this vanity ensures durability and longevity, making it an ideal choice for contemporary and classic interiors alike.

Premium Materials – Constructed from moisture-resistant plywood with a woodland oak or sable walnut Natural Veneer Wood - Fluted Panel Design – Stylish vertical grooves add texture and sophistication.

BYRON FLUTED

Raw natural textures of
woodgrain and detailed lines.

As Chosen By
Jamie Durie

Byron Fluted Vanity By Otti Australia – Timeless Elegance & Superior Craftsmanship

The Byron Fluted vanity features a Woodland Oak natural timber look finish, high moisture resistant plywood construction, soft edge finger pull handles, and Hettich hinges and runners for smooth and soft closing. The new Fluted veneer showcases detailed fine lines that add elegance to your designer bathroom.

Enhance your bathroom with the Byron Fluted Vanity by Otti Australia, a perfect blend of modern sophistication and timeless design. Crafted with premium moisture-resistant plywood, this vanity ensures durability and longevity, making it an ideal choice for contemporary and classic interiors alike.

Premium Materials – Constructed from moisture-resistant plywood with a Woodland Oak Natural Veneer Wood - Fluted Panel Design – Stylish vertical grooves add texture and sophistication.

BYRON

Raw natural textures of
woodgrain and detailed lines.

As Chosen By
Jamie Durie

@The Flipping Co.

Inspired by Australian landscape and earthy textures, Byron is finished using texture woodgrain oak look, featuring all-drawers, detailed with a mitred 45 degree edge.

Made with water resistant Plywood and laminated Black Oak or Natural Oak finishes with wood grain texture finish, this cabinet is moisture resistant guaranteed and adds a tailored focal point.

Offered with options include:-

- Wall hung or Floor Standing
- Top options such as ceramic or stone.

HAMPSHIRE

Making a statement with soft curves with Hampshire

Hampshire is a new generation vanity made with the latest technology in curved plywood joinery, finished with poly-ethene or laminate timber grained finish making for a naturally water resistant and long lasting cabinet that you will love for many years.

Drawing from classic furniture design, the soft panelled curved vanity is part of the latest in design and trends in bathware. Offered with optional details, selecting from cabinet colour, handle finished and stone top options.

Hampshire vanity is now made with no drawer cutouts, saving the precious space in your drawers for your cosmetics and bathing toiletries by now including the patented Space Saver Boxtrap waste. No more unattractive pipes to be seen.

Making a statement with soft curves with Bondi

Bondi is a new generation vanity made with the latest technology in curved plywood joinery, finished with polyethylene laminate or timber grained finishes making for a naturally water resistant and long lasting cabinet that you will love for many years.

Drawing from classic furniture design, the soft curves of the Bondi vanity is part of the latest in design and trend in bathware.

Offered with optional details, selecting from cabinet colour, handle finished and stone top options.

The detailed lines of the fluted texture add a beautiful and refined finish with the Bondi Vanity.

Bondi vanities are now made with no drawer cutouts, saving the precious space in your drawers for your cosmetics and bathing toiletries by now including the patented Space Saver Boxtrap waste. No more unattractive pipes to be seen.

Noosa

Noosa fine lines and detailed panelling

Inspired by Australian beach lifestyle, Noosa adds a look featuring Smooth Panels that resemble the weather boards of the perfect beach or Hamptons house, All-drawers detailed with curved finger pull cutouts.

Made with water resistant plywood this cabinet is moisture resistant guaranteed. With two pac polyurethane finish adds to its smooth matte finish.

Offered with options, it will add a refined and detailed finish to any bathroom, when you select from:-

- Wall hung or Floor Standing
- Top options such as ceramic or stone.

The image is a full-page advertisement for the 'ARCHIE' LED Shaving Cabinet. It is split into two panels. The left panel shows the cabinet closed, reflecting the room. The right panel shows the cabinet open, revealing internal shelves and a mirror. Below the cabinet is a white vanity with a round sink and a gold faucet. A color selection panel on the right lists five options: Satin White, Natural Oak, Black Oak, Woodland Oak, and Sable Walnut.

5 Years replacement product and parts
7 Years - Colour - Chrome
3 Years - Colour - All other colours

Otti Handle

5 Years warranty covering structural defects in hardware
12 Months warranty for defects in finishes, materials, and workmanship

* Conditions apply :- Refer to website www.ottiaustralia.com.au for more details.

This warranty only applies to defects which have arisen solely from faulty materials or workmanship in the Products.

Our products come with guarantees that cannot be excluded under the Australian Consumer Law.

A replacement or refund will be offered for any major failure, upon inspection by an authorised representative where a product is found to be defective in construction, material or assembly.

Goods maybe repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The warranty does not apply to other defects which may have arisen as a result of, without limitation, the following:

accidental damage, abnormal stress or strain, harsh or adverse weather conditions, abuse, misuse, mistreatment including excessive water pressure, temperature, or neglect of any kind of the products.

Alterations and repairs of the Products other than by an accredited and licensed service agent or technician are not covered.

CONDITIONS

1. Items must be installed by a licensed tradesperson.
2. Failure is due to a fault in the manufacture of the product.
3. Proof of purchase is provided.
4. The installation of the product is in accordance with the instructions provided.

EXCLUSIONS

To the fullest extent permitted by law, the manufacturer excludes all liability for damage or injury to any person, damage to any property and any indirect consequential or other loss or damage. Manufacturer will not be liable for the cost of installation or removal of any unit and the warranty will be VOIDED if damage occurred during or after INSTALLATION or a damaged or incorrect unit has been installed. Door and drawer adjustment; Unsuitable or improper use; Incorrect installation or installation not in accordance with the instructions provided; Installation or part installation by the purchaser or any person other than a LICENSED tradesperson; Normal wear and tear; Inadequate or complete lack of maintenance; water damage; chemical, electrochemical or electrical influences; excessive heat damage or Harsh detergents or abrasive cleaners used on product finishes, are NOT considered a warranty issue.

To Make a claim:-

For all warranty queries customers are to contact the branch where the product was purchased. These details can be found on your purchase invoice. Please provide them with photos or/video or issue if applicable, to illustrate issue clearly.

Please provide:-

- 1. Name/Model No of product**
- 2. Batch number of the product**
- 3. Proof of installation (by licensed plumber/electrician)**
- 2. Photo/Video of the issue**
- 3. Contact name, number and address**

Login to our website portal and entry you details into the Customer Warranty Request Form.

<https://www.ottiaustralia.com.au/page/5/warranty>

SERVICE CALL OUT FEES & CHARGES

In the event of a call out for issues covered under the OTTI manufacturer warranty, no call out fees apply.

If Otti Australia is called out and the cause of the issue falls within the warranty

exclusions or the installation instructions have

not been adhered to, the following charges will apply:

- Call out fee: \$200.00 initial cost, first 15 minutes included.
- Service time onsite: \$30/ billed in 15 minute increments.
- Call out times: Business hours 9am - 5pm.

Note: Response time will depend on technician availability.

Acrylic baths

Cleaning your bath

1. To preserve the polished surface, after use, clean with a soft cloth and warm soapy water to wash away any body oils or soap residue that forms a ring tide mark.

Always add oils into a bath full of water. Never pour them into an empty bath.

2. As a weekly cleaner we recommend warm, soapy water.

Do not use powders, pastes, cream cleaners, thinners, window cleaning sprays or dry cleaning liquid, etc.

3. Stubborn marks or fine scratches may be polished out with Brasso.

4. With colour dyes in essentials oils and hair colours, first test that the colour won't stain your bath.

If it does, use Brasso to remove it.

Solid Surface Basins

Everydaycare cleaning of Otti Australia Solid Surface products, to remove dirt and grime that may build up on the surface, can be removed with a simple wipe using a damp soapy sponge or cloth, followed by a rinse.

Do not use harsh chemical products such as acetone or strong acids which will stain the surface of the product and should not be used. Never pour essential oils directly into an empty bath or basin, always add to the water.

To remove stains always start with the cleaning method recommended under 'Everyday Care' first. If the stain is still visible, clean using a damp sponge or cloth and a mild abrasive cream or paste cleanser (e.g. Jif® or Gumption®) using a light, wide, circular motion. Then rinse. Lightly wipe the surface using a wide circular motion. Take care to rinse the surface thoroughly. This cleaning method should remove most stains.

Vanities, Tall Boy and Shaving Cabinets

Everydaycare cleaning of Otti Australia cabinets products, to remove dust or dirt that may build up on the surface, can be removed with a simple wipe using a damp soapy sponge or cloth.

LED Mirrors and Mirrors

Everydaycare cleaning of Otti Australia mirror products, to remove dust or dirt that may build up on the surface, can be removed with a simple wipe using a slightly damp sponge or cloth. Ensure water does not get into any electrical points.

Kitchen Sinks

Use dish washing liquid and water and no abrasive cleaners or cleaning cloths. Weekly cleaning with warm soapy water and a microfibre cloth is recommended. Dry after each use to reduce watermarking and surface rust.

When cleaning, wipe in the direction of the brushed grain to maintain the brushed appearance.

Do not use harsh chemicals or abrasive cleaners.
